Triton

ABOUT TRITON

Triton Foods LLC aims to be a market leader in the business of processing and distribution of fresh and frozen foods of the highest quality, in the region.

Customer satisfaction is at the heart of everything we do. We source, process and distribute a wide range of quality products that are 100% HALAL and ideally suited to the needs of our customers.

With meticulous attention to food safety we adhere to strict quality control measures and have incorporated HACCP & ISO certifications.

The flexibility to stand up to any customer demand from small to large volumes and custom made products are specialties of Triton. We service the food industry with almost all kinds of fresh and frozen poultry, meat, seafood, cold-cuts, marinades and sauces in conventional as well as value added forms.

As an ongoing expansion plan Triton is adding on new state of the art facilities to keep up pace with market expectations.

FACILITIES

Triton Foods has been putting value into the food industry without sacrificing quality for price. Our production facility allows us to offer items tailored for individual needs, while controlling quality in our ISO certified processing and packaging plant.

Our newest and most advanced equipment and machinery facilitates calibrating, freezing, marinating, breading, smoking and other related procedures. We have 2 blast freezers with a capacity to freeze 8mt per shift, and a cold storage facility of 400mt. We also provide private labeling and customized production suited to our client's need. The sky is the limit and if it can be thought of, we can make it happen.

O U R B R A N D

Our brand aptly named Al Falaq meaning 'dawn' symbolizes the freshness of a new beginning. Your association with the brand will give you the highest quality products suited to your unique needs.

Many factors have contributed to our success. We ensure the highest integrity while sourcing 100% halal meat products. All our processing is done under strict supervision by qualified professionals, employing systems and standards set by the laws of the land.

QUALITY

Triton is committed to maintaining quality, from sourcing of raw material to the delivery of product.

FRESHNESS

We implement high standards to maintain the freshness of our product range throughout the process flow.

WORKFORCE

A highly skilled workforce in all areas helps Triton to maintain and achieve quality goals.

STORAGE

State of the art warehousing standards ensure freshness & quality.
